

## Orientation for Bachelor of Arts Students - May 2017 Intake

On June 27, 2017, Faculty of Arts received new students for the Bachelor of Arts program in the Kisumu Campus. The students were taken through an orientation programme which included registration, issuing of teaching timetables and tour of Campus facilities (Library, Information and Communication Technology (ICT) laboratory and the Complex generally. In the orientation, the Faculty was represented by the Associate Dean, Prof. Wahome and the Assistant Registrar, Mr. Benard Mwangi who took the students through the program guidelines and the faculty expectations from the students.

Addressing the students during the orientation, Dr. Vincent Machuki, the Campus Director welcomed the students and briefed them on both the corporate (University) and Campus management structures. He informed the students that the University is committed to meeting the regulatory body, Commission of University Education (CUE's) requirements. Students were informed of the existing service departments, including the offices of the Assistant Dean of Students and Counselor, Security, Library, Health Services and ICT, which provide services that support their learning at the Campus.
